## ***Student Ambassador***

### **Student Ambassadors 2016 - 17 Speak**

I loved to be the ambassador of LexisNexis. It really helped me in improving my skills. By conducting sessions for other students on how to research on LexisNexis, I myself gained a lot of expertise in legal research. A big thank you for the articles on LexisNexis blog. These articles not only motivated us to write good quality articles but also kept us updated with upcoming legal issues.
